

PONTIAC CAR CLUB OF AUSTRALIA NEW MEMBERSHIP / RENEWAL FORM

Thank you for your enquiry about joining the Pontiac Car Club of Australia. The club was formed back in 1987 as a professional group, simply looking to improve our own general knowledge, about various models, to help with the mutual parts and restoration, supply requirements, and coupling this all together, is the general social contact that comes with it. We also have members in New Zealand, and the USA.

As a professional non-profit group, we all rely on each other and whilst not always easy, has and does, produce some of the best car club organised events in Australia and also one of the best quality magazines (which is printed every 2 months).

As it not always possible for many members to attend club meetings or functions - we put no pressure on you to do so, but they are there for you to take part if you wish. We also hold the largest gathering of Pontiacs outside of the USA which is the Australian Pontiac Nationals held over the Easter long weekend every two years and takes a lot of organising to say the least.
